

North Shore Technologies

NST ENVIRONMENTAL POLICY

North Shore Technologies (NST) is committed to protect the local and global environment of the earth by minimizing the environmental impacts if any due to our organizational activities, products and services.

NST senior management is committed to ensure that protection of the environment is firmly embedded in both the company's and all employees culture and will endeavour to influence its suppliers and customers in a similar strategic environmental manner.

We shall:

1. Comply with all applicable legal requirements and other requirements related to environmental aspects.
2. Include the consideration of environmental issues where applicable in all our business strategies and initiatives.
3. Prevent pollution, reduce waste and minimize the consumption of resources
4. Encourage environmental protection among our suppliers and subcontractors
5. Educate, train and motivate employees to carry out tasks in an environmentally responsible manner

Our company is committed to continual improvement of environmental performance and this policy is being communicated to all our staff, suppliers, contractors. We intend to follow ISO 140001:2015 standard for the implementation of our Environmental Policy.

Ajay Kumar Zalpuri

Managing Director, North Shore Technologies Pvt. Ltd.
